

Oval Office, 20xx

CORPORATES    We've decided on war.

PRESIDENT    Then it's up to me. Congress will bug out as usual.

CORPORATES    You can say that it's up to you.

PRESIDENT    Fiction, huh? I'm to do what I'm told?

CORPORATES    Bingo!

PRESIDENT    There's a small matter of money. We'll have to do it on plastic, with the Chinese buying the debt. Dangerous.

CORPORATES    Not at all. China is a corporate branch. Thus we're paying ourselves, well not the country, the corporations.

PRESIDENT    You're raping the nation and you want me to go down in history as The Great Enabler!

CORPORATES    Savior! We'll write the history and that's what we'll say. Deniers ending up face down in various bodies of water.

PRESIDENT    A bitter day when you talked me into this office.

CORPORATES    Freedom exists in not having choices. Your pen?
